

## A powerful dehumidifier for laundry and large basements.

Wood's DS36F is a powerful dehumidifier, perfect for when you need to quickly dry laundry, or remove moisture and damp. The DS36F has very high capacity, and its sturdy design makes it suitable for demanding environments. The DS36F will quickly lower the humidity and reduce the risk of mould, mite and other hazards to your house and your health.

### Wood's DS36F

Wood's DS36F is easy to install and operate, and will quickly lower the ambient humidity and remove mildew and moisture. The DS36F has a spacious water bucket, and you can also easily attach a water hose for direct drainage of the water. This way, you don't have to empty the water bucket. Wood's DS36F will run only when needed, and automatically shut off and restart depending on the ambient humidity. This is the most energy saving and efficient way to remove excess moisture and bad odour. The DS36F is one of Wood's all-time best sellers and will run without trouble for years to come.
